Hear what our patrons have to say!

“[We took a seat] to support the arts in our community, of course!”

Dr. Robert Bass and Mrs. Sheryl Bass

“We wanted to promote the arts and its importance in Manassas, and make sure it would be “in Manassas” for today’s youth and its future!”

Barbara and Harry Ghadban

“The Hylton Performing Arts Center serves as a positive reflection of all that the Prince William region hopes to be. We named a seat to support this beautiful cultural center so close by to Woodbridge.”

Dr. Sam Hill and Mrs. Lillian Hill

“We took a seat to be a part of the LEGACY. We took a seat to be a part of HISTORY. A hundred years from now, our seat will be here and will ensure that we have somehow made a difference!”

Deb Jewell, GFWC Dominion Woman’s Club

“It is most important for Steve and I to support the arts in our community. The arts cause one to appreciate both individual and group expression and innovation in our society. Our community can rely on the Hylton to raise it up to greater places.”
