

PERFORMANCE Rental Rates

The Hylton Performing Arts Center has two theaters available for rental.

MERCHANT HALL is a European style concert hall seating 1,123. Eight dressing rooms and other ancillary spaces are available.

The **GREGORY FAMILY THEATER** is a "Black Box" flexible space. Standard seating on collapsible risers is 240. The space may be configured in multiple ways.

Both theaters have full lighting and sound systems in place with acoustic shell or drapery surrounds and soft goods available. (See "manuals & specifications" at HyltonCenter.org/rentals)

Rental rates on the chart below are the base rate per day and vary by day of the week. Non-profit discounts are shown below. Cleaning charge, labor and equipment charges are additional and not included in the base rate.

Labor rates are based on the needs of your specific performance. Each theater requires a minimum number of Hylton Center staff including technicians, ushers, porters, and possibly police, on duty per performance. Discussion with the sales manager of the details of your show, including space and equipment needs and a time line of your event will allow for an accurate estimate.

Additional spaces for receptions are available.

Please contact **Susan Landess** (slandess@gmu.edu or 703-993-9344) for a facility tour and to receive an individual estimate. Some events may qualify for package pricing.

Venue:	Friday thru Sunday:		Monday thru Thursday:		Per Day: Cleaning
	For Profit	Non Profit	For Profit	Non Profit	
MERCHANT HALL					
Performance Day	\$4,500	\$3,500	\$3,500	\$2,500	\$525
